You may take the poinsettia home following any worship service on Christmas Eve.

Contemporary Worship and Furnishings Wish Lists

As the band prepares to move into its new home in the Community Life Center, they are in need of some additional equipment items. If you are interested in contributing please [click here for the wish list](#). Please direct all donations to Attn: Rev. Daniel Irving

Additionally, we are still seeking donations for the furnishings for the new building. For an updated list, contact Bob Tavenner, interim business manager.

Giving Update

Now there are many ways to be generous and faithful to FUMC! Now you can give online or through text message. Simply text FUMCH to 77977 and you will be directed to a one time set up for PushPay a highly secure user-friendly online giving portal. From there you can set up

recurring gifts to the operating budget or give towards special projects including the building campaign. You can also visit the link [here](#) to set up your account online. As always you can still give on Sunday mornings during the offering time or through the mail. What a joy it is to live generously!

Flamingo Flock Fundraiser For Youth Is Back!

The flamingos will arrive on November 19th. Buy your insurance this week at FUMC to "stop the flock from landing at your home." If they do land at your home or business you may contact Stephanie Pitts at (936) 291-3174 or the church office to have them moved to another "friend's" home or just removed from your lawn! The flamingos stay in Huntsville through December 10. You never know where the flock may land... Support our youth ministry and buy your insurance today!
